Mr. Thomas L. Cover, President
SC&A Construction, Inc.
P.O. Box 7202

Dear Tom:

It is a pleasure for me to recommend that SCA, Inc. be considered to receive an *Excellence in Construction Award* for their role as the Construction Manager for our recently completed Clubhouse Improvement Project.

Serving as the Club's President during the project, I was able to observe how effective you and your team were in not just managing the day-to-day aspects of the project, but also the many unforeseen challenges that accompany any project of this magnitude. I was especially impressed with your ability to work with the Building Committee to develop creative solutions that allowed us to keep the schedule and budget intact. Both were extremely tight and the fact that you were successful in completing the job within those parameters speaks to the professional experience of SCA.

Wilmington Country Club has a very discerning membership with extremely high expectations. I honestly believe that the success of this project has more than met those expectations. It has exceeded them!

Congratulations on a job well done!

Sincerely,
